Connect people

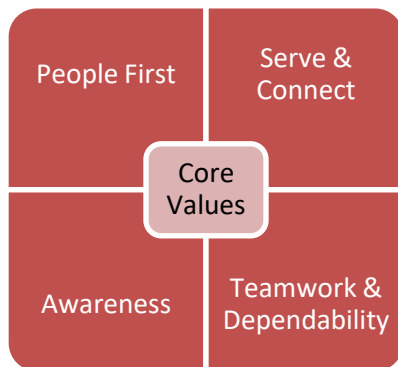

ARCF Ushering Ministry would like to invite you to be part of a team that will represent the heart of our church family – **to serve and connect with new visitors and existing members.**

The ushering ministry fulfils a vital role and involves more than simply welcoming people or taking up the offering. In addition to these functions, they also serve an important role of connecting believers together and by introducing new visitors to ministry leaders or other opportunities for them to get involved.

The ushering ministry is undertaking to grow a team with these **core values** at heart and the following structure in mind. Please join us!

5 Points of contact

- **Front door host** – greets and welcomes people and is lead usher for that service.
- **VIP and registrations assistant** – point of contact for filling in visitor cards, event information & registration.
- **Section ushers** – at least one person per seating section responsible for connecting with new visitors in their section block. Also assist with taking up offering.
- **Ministry leaders** – work with section ushers to connect new and existing members to get involved in upcoming ministry activities.
- **Follow-up calls** – church staff follow up during the week either directly or notify ministry leaders to follow up.
